

S.S.K.V COLLEGE OF ARTS & SCIENCE FOR WOMEN
(Affiliated to the University of Madras)

**Policy for Maintenance of Physical, Academic, and
Support Facilities**

Dr.K.Thirumarnagat, M.Com.,M.Phil.,Ph.D.,
Principal
S.S.K.V. College of Arts & Science for Women
Krishnapuram Post,
Kizhambal, Kanchipuram - 631551

1. Maintenance of Physical Facilities

- Classrooms, laboratories, seminar halls, library, and common areas are cleaned and maintained regularly.
- Electrical systems, water supply, sanitation facilities, and safety equipment are inspected periodically.
- Campus security is ensured through trained personnel and surveillance systems.
- Green campus initiatives, cleanliness drives, and waste management practices are implemented.
- Repairs and renovations are carried out based on regular inspections and feedback.
- Fire safety, emergency exits, and disaster preparedness measures are maintained as per norms.

- Laboratories are upgraded and serviced regularly.
- ICT facilities, smart classrooms, and internet services are maintained for effective teaching.
- Library resources, including books, journals are updated periodically.
- Audio-visual equipment and teaching aids are serviced and replaced as required.
- Classroom furniture and learning spaces are repaired and improved continuously.

- Canteens, restrooms, and drinking water facilities are maintained hygienically.
- Health, counselling, and mentoring services are provided to support student well-being.
- Sports facilities are maintained for physical fitness.
- Transportation and security services are monitored regularly.
- Facilities for Divyangjan (students with disabilities) are maintained for accessibility.

4. Monitoring and Responsibility

- The **Principal** oversees the overall maintenance of facilities.
- The **Maintenance Committee** and **Office Administration** coordinate repair and upkeep activities.
- Heads of Departments monitor departmental facilities.
- Feedback from students and staff is used for continuous improvement.

5. Financial Planning for Maintenance

- The Management allocates adequate funds for maintenance and upgrades.
- Annual budgets include provisions for infrastructure, academic resources, and support services.
- Emergency maintenance needs are addressed promptly.

6. Sustainability and Safety Measures

- Energy-efficient systems and water conservation practices are followed.
- Waste segregation and cleanliness drives are conducted.
- Regular safety audits and inspections are carried out.
