Scope of the Policy

SSKV College of Arts & Science for Women firmly believes in giving back to society by nurturing socially responsible, emotionally balanced, and intellectually empowered women. The institution is committed to shaping students into responsible citizens who actively contribute to community development, social harmony, and national progress. Every graduate of SSKV College is encouraged to emerge as a compassionate, service-oriented, and socially conscious individual.

Objectives

- To sensitize students to the socio-economic structure of society.
- To help students develop a better understanding of the communities they live in and serve.
- To encourage collective participation in social service activities.
- To motivate students to contribute positively to societal development.
- To create a community of selfless, caring, and committed women volunteers.
- To instill empathy and support for differently-abled and marginalized individuals.

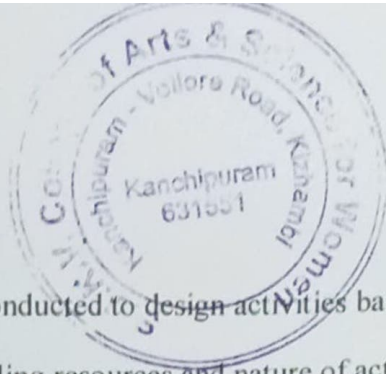

Extension Activities of the College

SSKV College actively engages in a wide range of extension and outreach activities through NSS, Youth Red Cross, Eco Club, and various departments:

- Awareness campaigns on health, hygiene, environment, and social issues
- Health camps in rural and semi-urban areas
- Need Assessment surveys
- Donation drives for the underprivileged
- Computer literacy programmes
- Swachh Bharat and cleanliness drives
- Support for social initiatives of the University of Madras
- Community development programmes

Extension Activity Guidelines

1. Maximum student participation is ensured in all extension activities.
2. Outreach programmes are planned annually with clear social objectives.
3. Locations for activities are finalized after conducting a pilot study of the area.

4. Need assessment surveys are conducted to design activities based on community requirements.
5. A detailed plan of action, including resources and nature of activities, is prepared with the approval of the Principal.
6. All safety measures for student volunteers are strictly followed.
7. Parent consent is obtained for students participating in camps and field activities.
8. Permission from local authorities is secured before conducting outreach programmes.
9. The impact of activities is assessed and documented for future planning and improvement.
